THE HISTORY OF WISDOM IN LIVING LIFE MINISTRY

In 1988, Winn Freeman was given a 3% chance of succeeding at anything. He was living in California, a heroin addict and a drunk; headed for jail.

Today, Freeman is still in contact with law enforcement, only instead of riding in the back of a patrol car on the way to jail, Freeman has law enforcement on his side. When he walked out of jail, he was walking toward hope, Greenville, college and Wisdom In Living Life Ministry.

In 1990 Winn headed to Greenville. He attended and graduated college, was ordained as a minister, and is a graduate of Leadership Greenville Class 25. He began his work at Miracle Hill Greenville Rescue Mission and created the very successful "Overcomers" program and later came on as Director.

In 2000, he founded Wisdom In Living Life Ministry. It is a Bible-based ministry seeking to "educate, equip and empower God's people to effectively reach those imprisoned by addiction." As testimony to Freeman's character and reputation, with the help of the Lord, Freeman turned his life around.
