

HOPE FOR FAMILIES

DRUG ADDICTION AFFECTS THE WHOLE FAMILY.

Family members are severely affected by the lifestyle of the addict. The family dynamic is disrupted from the behaviors of those who abuse drugs/alcohol and the misuse of prescription drugs. We offer support and training for families.

Most addicts do not have the resources to support their addiction on their own so there is usually someone or several people who enable the behavior to continue; leading to painful consequences for both the addict and the family.

WISDOM IN LIVING LIFE MINISTRY OFFERS HOPE IN FINALLY FINDING A SOLUTION.

Our goal at Wisdom In Living Life Ministry is to teach biblical truth about what is helping and what is hurting. Allowing for God to work and not prolong the destructive behavior.

You don't have to wait until your loved one hits "rock bottom." We offer a solution to "bring the bottom up."
